

School Facility Program Funding by Career Technical Education (CTE) Service Region*

All Programs

The below map illustrates the regional distribution of \$32.4 billion in school facility funding awarded by the State Allocation Board from 1998 to present. The map also shows the regional distribution of new construction (NC) and modernization (Mod) projects, and K-12 student enrollment for each region.

* Funds are distributed based on voluntary program participation and individual school district grant requests.
